

Engage | Pathway

Keep your players connected with a new level of customer engagement

Available in New South Wales, VIC and ACT.

Engage is an innovative and unique player engagement tool, offering players an enhanced gaming experience. Engage is the combination of Pathway, the in-machine touch screen, and the Engage application. Together, this creates a functionally rich operator - player engagement tool.

- Self-manage and schedule your customised streaming content ahead of time
- Provide more entertainment for players with an extensive range of promotional games¹,
- A complete management solution for Pathway and the new KIOSK

Product Features

Venues can browse, preview and download media content such as games, themes and advertisements to the Pathway units. Engage allows venues to create targeted advertising to provide the right information to the right people at the right time.

Customised Options Available:

- Themed skins
- Venue information
- Advertise promotions and events
- Member Group streaming
- Multi lingual Pathway
- Extensive game library

Additional Product Features²

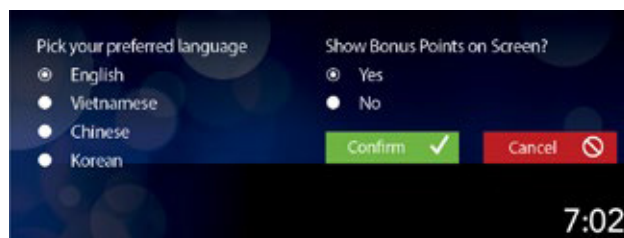

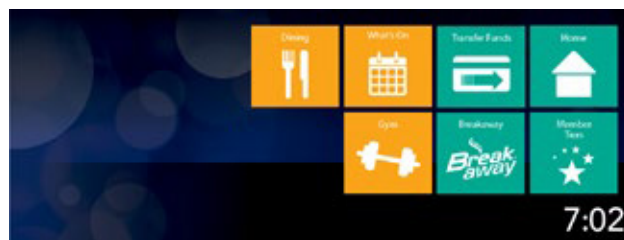

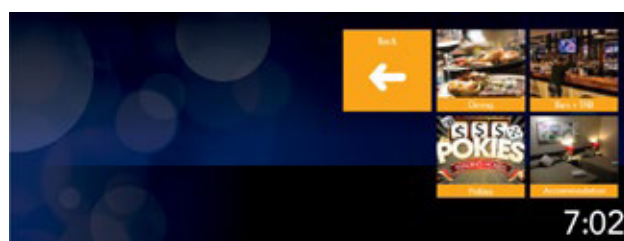

Breakaway

Players can utilise their membership card to lock and reserve their machine of choice.

Links on Pathway

Players can view link levels their machine is contributing to on the Pathway panel. Links on Pathway is available on Mystery Progressive Links connected to a venue-wide jackpot system.

¹ Pathway games are not available in Victoria.
² Available in NSW only.
